

**THE ROMANTIC  
REI-GOU CAFE  
KORISU**

IT'S  
ALMOST  
TIME FOR  
THE NAVAL  
BASE  
FESTIVAL!

I FIGURED  
WE, TEAM  
REI-GOU,  
SHOULD DO  
A SWEETS  
CAFE. BUT  
...

Don't you  
think it'd  
be cute if  
went for a  
romantic  
Taisho era  
atmosphere  
with kimono  
and aprons?

Sounds  
fun!

Oh,  
nice!

I wanna  
eat  
katsu  
curry!

I wanna  
eat  
omurice!

**THIS  
ISN'T A  
DINNER  
MENU!**

Well,  
we'll  
cross  
that  
bridge  
when we  
come to it.

How  
about  
the  
menu?  
What  
should  
we go  
for?

But  
...

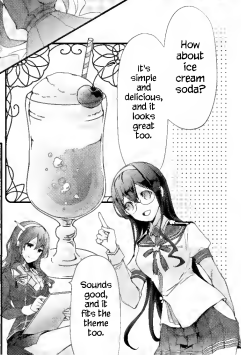

If  
Kasumi  
-chan  
doesn't  
want to  
do it,  
then we  
...

Yeah,  
yeah!

How  
'bout  
this  
parfait?  
This  
one!

I wanna  
eat  
matcha  
skira-  
tama...

How  
about  
ice  
cream  
soda?

It's  
simple  
and  
delicious,  
and it  
looks  
great  
too.

Sounds  
good,  
and it  
fits the  
theme  
too.

Come on,  
Kasumi  
-chan,  
wear it  
with us  
...

Alright.  
The sign's  
done!

But the  
kimono  
and apron...  
I think  
it does.

It  
doesn't  
suit me  
at all.

How  
-zit?

Thanks  
for the  
help,  
Mamiya  
-san.

I don't think  
this is the  
direction we  
were going  
for...

Reminds  
me  
of that  
night\*

Ahh,  
the  
paint!

\*The actual Operation Rei-Gou.

This is our first time being waitresses and we're unfamiliar with it, so I'd like your perspective on things.

Uhm... I have something I have to ask, Mamiya-san.

Please leave the food supply to me.

If you need anything else besides what's on the recipe here...

Just what is it that a waitress needs?

It's easier to enjoy yourself when you see others doing so, right?

And perhaps you yourself must be enjoying it.

What indeed ...

you want your customers to enjoy their time there with smiles on their faces.

Even if you're unfamiliar with the job, it's important you try to convey the feeling that

It's up to that girl, isn't it? It's not something you can push her to do.

I wanted to be waitresses together.

Kasumi-chan really won't do it, huh.

Hey, Ashigara-san.

I have to go out after all.

Kay ...

Remember that, okay?

... right.

I wonder if Kasumi was moved at all... she's a clever girl.

Yeah.

I feel sorta motivated after talking with Mamiya-san.

How is it?  
Does  
it look  
good?

Actually,  
I was  
thinking,  
Ashigara  
-san...

I got  
some  
energy  
now!

You  
too  
are so  
cute.

It's  
per-  
fect.

**THIS  
ISN'T A  
BAR!**

Gladly!

Ice  
cream  
soda,  
pleaa-  
ase!

Kiyo-  
shimo,  
let's  
practice  
a lil!

.....

I-!...

You  
wanna  
give it  
a shot  
now too,  
Kasumi?

Don't  
worry,  
I'm sure  
Kasumi-  
chan can  
do it.

You served  
so well as  
flagship of  
Operation  
Rei-Gou,  
after all.

We sewed  
one for  
you too.  
It was  
Ooyodo's  
suggestion.

Is... is  
this an  
apron?  
For me?

I WANT  
OUR  
CAFE TO  
BE THE  
STRONG  
-EST.

Also...  
Ashigara  
-san and  
I will be  
wearing  
our own!

Let's  
do it!  
It'll be  
funner  
with you,  
Kasumi  
-chan!

Come  
on, ya  
know  
we got  
your  
back!

The  
Naval Base  
Festival  
will now  
commence.

Once  
again,  
the  
Naval  
Base-

The sweet  
bits  
fizzling  
into my  
heart

Like ice  
cream  
soda.

Thanks  
...

You  
guys...  
fine  
then  
...

Let's  
go.

TEAM  
REI-  
GOU  
...

Go!!

Newbar  
Rei-Gou  
Cafe  
open for  
business!
